The Better Rat Trap...

GUM PAD[®]

DANEV
PESTAID
PVT. LTD.

GUMPAD[®]

The Better Trap is quality product from Danev - with wide spectrum of Pest management experience. GUMPAD[®] - is a non-toxic Do-it-yourself pest management device which is ideal for application wherever rat poisons can't be used.

GUMPAD[®] - Direction of use :

- Open the board gently, ensuring that the glue area is not touched.
- Best placement of a glue trap is in an out-of the way location where rats are highly monitored (areas include dark areas, along walls, behind appliances and furniture (etc.))
- You can place food bait at center of the trap to attract rats.
- Dispose glue trap properly after use.

GUMPAD[®]

To release rat or any non-targeted animal stuck on the trap in a humanly manner, wear gloves and gently apply turpentine or vegetable oil to the body parts of the animal that came in contact with the glue and allow it to escape that the trap unharmed.
